Post: Teacher of Science (Chemistry & Physics an advantage)

Thank you for your interest in the post of Teacher of Science at St Bede's Catholic High School.

We are seeking to appoint an outstanding teacher who will:

- Be an excellent classroom practitioner
- Be ambitious to raise attainment and achieve positive outcomes for all students
- Have a strong commitment to engaging students of all abilities
- Be innovative and inspirational in their classroom delivery
- Have a strong desire to contribute to the extra-curricular life of the school

This is an exciting time to join our school community. We have just been judged as "Good" in our recent Ofsted inspection, and "Outstanding" in the Section 48 inspection 2024.

As a school family, we each of us work hard to make St. Bede's an incredible place to work and, as a teacher in our family, you will be expected to maintain the high standards that have been established within the Science department. As a classroom teacher, you should also be committed to securing positive outcomes for the pupils that you teach and have a desire to make positive difference to the lives of young people.

We are offering:

- Professional challenge and support as a member of our school family
- High quality CPD opportunities
- Friendly, committed staff and students
- A well-resourced faculty

Should you choose to apply, then please ensure that the application form is completed fully, **a CV is not required**. Supporting statements should be no longer than 2 sides of A4 and should address how your teaching style and approach would further raise standards and secure positive outcomes for all pupils.

We look forward to hearing from you.

Yours faithfully

Dan Morgan
Headteacher
